FOR THE BIRDS

BENEFIT AUCTION AND DINNER

AUBERGE DES GALLANT
SATURDAY APRIL 11TH, 2026

Each year, Le Nichoir hosts For the Birds, a dinner auction in support of wild bird conservation. This year's event is especially meaningful as we **celebrate 30 years of caring for wild birds**, and will take place on **April 11th** at Auberge des Gallants.

Since 1996, Le Nichoir has provided expert care, public education, and conservation support throughout Hudson and the surrounding areas. With the dedication of four full-time staff members, and more than 125 volunteers, we have cared for over **50,000 wild birds**. After three decades, Le Nichoir continues to thrive, remaining a leader and trusted presence in a profession that has seen significant growth and change over the years.

Support from local businesses and individuals as auction item donors are vital to the success of "For the Birds". All the proceeds from this event directly fund medical treatment, nutrition, and professional care for thousands of birds each year and support our environmental education initiatives. We invite you to celebrate these milestones by donating an auction item.

See the attached form for details and don't hesitate to contact me for further information.

Thank you for the consideration,
