LE NICHOR

Le Nichoir Wild Bird Conservation Centre, a donor-funded non-profit organization, is the largest centre of its kind in Canada, with a mission to conserve wild birds as part of our natural heritage. Founded in 1996, Le Nichoir has since cared for over 50,000 wild birds and has taught people of all ages about the importance of wild birds. Le Nichoir's work is made possible by a small team of four passionate staff, supported by summer youth employees and an army of over 125 volunteers.

WHITLOCK

Whitlock Golf & Country Club offers 27 meticulously maintained holes providing a true test of golfing skill and accuracy in a beautiful setting. The club has a long history of environmental conservancy dating back to 1932, and achieved Certified Audubon Cooperative Sanctuary status in 1999.
